About Energy Focus:

Energy Focus is an industry-leading innovator of sustainable LED lighting and lighting control technologies and solutions. As the creator of the first flicker-free LED lamps, Energy Focus develops high quality LED lighting products that provide extensive energy and maintenance savings, as well as aesthetics, safety, health and sustainability benefits over conventional lighting. Our EnFocus™ lighting control platform enables existing and new buildings to provide quality, convenient and affordable dimmable and color tunable circadian and human-centric lighting capabilities. Energy Focus customers include U.S. and foreign navies, U.S. federal, state and local governments, healthcare and educational institutions, as well as Fortune 500 companies. Since 2007, Energy Focus has installed approximately 900,000 lighting products across U.S. Navy fleet, including TLEDs, waterline security lights, explosion-proof globes and berth lights, saving more than five million gallons of fuel and 300,000 man-hours in lighting maintenance annually. Energy Focus is headquartered in Solon, Ohio. For more information, visit our website at www.energyfocus.com.
